**Mr. Michael Anderson
Founder/President
Save Life Outreach Program Foundation**

Dear Mr. Anderson,

We the officers of the above name church wish to thank you and your organization for the toys you have sent for the children. We were able to Serve over three hundred (300) children.

We will send you copies of photographs taken at a later date. It was fun, and we do appreciate your kind gesture.

We look forward to having this done again next year. God bless you.
