SAVE LIFE OUTREACH PROGRAM FOUNDATION  
Mr. Michael Anderson,

On behalf of the founder, Pastor Donald Lowe and the brethren of the Over Comers church of God International Ministry we would like to extend great appreciation to the sponsor team at S-L-O-P-F for considering the blessing of the children at our ministry with toys on the 19<sup>th</sup> of December 2009. In addition to the toys we receive from your foundation the hospitality team at our church was able to treat the children with a hot cup of soup, fried chicken, festivals, drinks and ice-cream. Our program begun at 3 p.m. with a few selections from the Sunday school classes, unexpectedly we had approximately 80 children attending, we have given out a hundred toys

We look forward to see it bigger and better for the year 2010. May the glory of the lord continue to shine upon your lives and his richest blessing fall upon you continually.

Yours Sincerely

Pastor Donald Lowe
