SAVE LIFE OUTREACH PROGRAM FOUNDATION

MR. Michael Anderson

On behalf of the founder, pastor Donald Lowe and brethren of the Over Comers Church of God International Ministry we would like to extend great appreciation to the sponsor team at S-L-O-P-E for considering the blessing of the children at our ministry with toys in December 2010 in addition to the toys we receive from your foundation the hospitality team at our church was able to treat the children with a hot cup of soup, hot meal drinks and ice- cream. Our program begun at 3 PM with a few selections from the Sunday school classes, unexpectedly we had 180 children attending, we have given out a hundred added toys.

We look forward to see it bigger and better for the year 2011. May the glory of the Lord continue to shine upon your live and his richest blessing fall upon you continually.

Yours Sincerely,

Pastor Donald Lowe
