SAVE LIFE OUTREACH PROGRAM FOUNDATION
Mr. Michael Anderson,

On behalf of the founder, Pastor Donald Lowe and the brethren of the Over Comers Church of God International Ministry we would like to extend great appreciation to the sponsor team at

S-O-P-F for the considering the blessing of the children at our ministry with toys in December in addition to the toys we receive from your foundation the hospitality team at our church was able to treat the children with snacks, drinks.

Our program begun at 3 p.m. with a few selections from the Sunday school classes, unexpectedly we had approximately 80 children attending, we have given out close to 100 toys.

We look forward to see it bigger and better for the year 2012. May the glory of the lord continue to shine upon your lives and richest blessing fall upon you continually.
